1.1

GENERAL POLICIES

To ensure your event goes smoothly, here are some general rules to be aware of:

- The BJCC is a multi-purpose facility that often hosts concurrent events. Therefore, lobbies, hallways and entrances are considered shared common space. The BJCC will work with groups for planned activities to ensure all groups' needs are met.
- Daily use of BJCC facilities is considered to be a continuous 14-hour period which begins no earlier than 7am and ends no later than 11:59pm the same day. Please make note that additional charges will be incurred for events exceeding the contracted rental period and between 12am and 7am.
- All BJCC facility rentals include venue space, lighting, ventilation, heat and/or air conditioning on event days, excluding move-in or move-out. Air conditioning and heating for all space on event day is automatically programmed based on times listed on the event document. It will turn on prior to a function and remain on approximately 30-60 minutes after the function ends. If air conditioning and heating is required prior to or after these times, please consult the Event Manager.
- Registration space may be provided on an as-available basis.
- Standard housekeeping services are provided with some exclusions. Cleaning during exhibit events within booth space is provided by the event's service contractor. The BJCC provides cleaning services for BJCC space around exhibit space, including uncarpeted aisles, lobby and restrooms.
- The Lessee can add additional services, but please be aware additional services may result in additional charges. Charges may be made for tables, chairs, staging setups and electrical/utility services and additions or arrangements of the building's sound systems.
- Televising, broadcasting, recording, and livestreaming are permitted with prior written approval, and additional charges may be applicable.

1.2

SCHEDULING

To ensure you receive the desired facility space, it is best to schedule commitments requiring 100,000 square feet or more of exhibit space 18-24 months in advance for first-priority consideration. This includes events held on an annual basis. If set as a second-priority event, the booking may be subject to change to accommodate a first-priority designated event. Second-priority events may be set with 12-months advance notice. If a contracted event is cancelled within 12 months of an event, the Lessee may be subject to the loss of their deposit. All calendar inquiries and event bookings should be directed to the BJCC Sales Team.

It is the responsibility of the BJCC Executive Director/CEO to operate the BJCC in a sound business manner in an effort to maximize both economic benefit and the financial stability of the BJCC. Consequently, the BJCC Executive Director/CEO reserves the right to promote, solicit, develop and make reservations for any activity deemed appropriate to the BJCC objective and to qualify all activities requesting utilization of the BJCC. Date protection for similar events will not be given.

1.3

DEPOSITS

The BJCC requires credit terms be established prior to the event or convention as outlined in each contract. A minimum deposit is required. For events requiring full pre-payment, payment must be received 14 days prior to the event to cover any additional charges that may occur during a function unless specified in the contract. This payment can be made in the form credit card, ACH/wire transfer, or corporate check.

Insurance is required for rental of BJCC facilities. A minimum of 10 business days prior to entering the leased facility, the Lessee must give the BJCC a Policy or Certificate of Insurance of Commercial (or Comprehensive) General Liability coverage, including Products and Completed Operations and Personal Injury coverage issued by a company authorized to engage in the insurance business in the state of Alabama with an A.M. Best rating of A-, VII or better. Said policy or Certificate of Insurance will name the Lessee and his or her officers and employees as the insured. The policy will provide for limits of liability which shall not be less than \$1,000,000.00 each occurrence, \$2,000,000.00 aggregate; \$300,000 damage to premises rented to you; \$1,000,000 personal and advertising injury. All insurance will be primary and non-contributory and provide waiver of subrogation. The BJCC, the Birmingham Jefferson Civic Center Authority and its officers and employees are included as Additional Insured on the GL and Auto policies. The policy will require that the insurance company give the Licensor's Executive Director at least 30 days advance written notice of any reduction or cancellation of the coverage during the term of this lease. Written notice shall be sent to P.O. Box 13347, Birmingham, Alabama 35202-3347. If the certificate does not comply with the above, it will not be accepted by the BJCC. The certificate cannot be accepted if it does not comply with the requirement outlined in section 3.1. Alternative insurance is available.

2.2

LICENSES/PERMITS/TAXES

Licenses, permits and taxes are applicable for many events to be held at the BJCC. Please be aware, in the instance of ticket sales, when the Lessee is considered the seller, tax exemption certificate does not apply. To be exempt from sales tax and/or fee in lieu of taxes as a seller, the Lessee must be listed on the **ALABAMA DEPARTMENT OF REVENUE SALES, USE & BUSINESS TAX DIVISION SALES & USE TAX RULE 810-6-3-.07.05 Charitable Organizations and Institutions list.**

DAMAGE

In the event of damage/injury to persons or property, the BJCC will not be responsible for any damage or injury that the Lessee or its agents, servants, employees or property sustain from any cause prior to, during or subsequent to the period covered by the Lease/License Agreement. The Lessee shall expressly release the BJCC from any and all claims for such loss, damage or injury. The Lessee will indemnify, save and hold harmless the BJCC from all actions or proceedings to recover damages for injuries to persons or property arising from the Lessee's occupancy of the leased premises or the Lessee's activities thereon.

The Lessee agrees to pay for any damages to the leased premises resulting from the Lessee's use or occupancy thereof; or resulting from any acts or omissions, intentional, negligent or accidental. This is regardless of whether said acts or omissions are those of the Lessee, its agents or employees, or persons participating in or attending the function stated in the License Agreement. The BJCC shall not be liable to the Lessee for any damage, loss, theft or expense of any kind sustained by the Lessee as a result of vandalism or malicious mischief.

3.1

BANNERS/SIGNAGE

Banners and signs are welcome in our facilities, but the Lessee must receive approval from the Event Manager in advance. Signs are required to be placed on easels and not taped, tacked or adhered to the walls, elevators, escalators or other surfaces. Any type of glue or tape is not allowed. Banners/signs in the public areas of the BJCC must be professionally printed or computer generated. Permanent facility signs and directional graphics may not be blocked. Directional and event signs may be installed at the ground level of exterior plazas and entrances with approval from BJCC management. Signs must be coordinated with other events. Exterior signs are not allowed on city streets or rights of way.

For safety, the BJCC does not allow extension ladders or stacked items to be used to hang banners from the ceiling, mechanical pipes, ducts and ceiling guides. The BJCC Operations Department must receive hanging and rigging plans with detailed sketches of the items to be hung, their location, weight, method of installation and other relevant information at least four weeks in advance of an event. Operations will also approve proposed location(s) of signs. All outside banners and signage must have prior approval from City of Birmingham Design and Review Committee and be coordinated by BJCC Management.

After an event, all posted signage must be removed or removal charges may be incurred. Any damage by double-faced or marking tape on floors, walls or any BJCC property may incur charges.

For installations that weigh more than 500 pounds, a registered structural engineer may be needed to review and approve installation plans. Special liability and property damage insurance may be required for these installations at Lessee's cost.

3.2

EQUIPMENT

If the Lessee has hired an outside firm to provide decorations, please inform the Event Manager. The Event Manager can arrange loading of outside decorations through the loading dock.

The BJCC has much of the equipment needed for events, such as chairs, tables, lecterns, staging with skirting, dance floor, and more. The Lessee must notify the Event Manager of specific equipment needs at least 60 days prior to the event. If equipment needed is not in BJCC inventory, this equipment may be leased. BJCC staff will set meeting rooms for the event, but if a reset is required within the same day, an additional labor charge will be applied. For large staging needs, consult with the Event Manager. The BJCC does not provide booth furnishing such as tables, chairs, and waste baskets. These services are generally provided by the Lessee's convention services contractor.

All classroom tables are bare, and an additional cost will be assessed for clothing. At scheduled meal functions, tables will be clothed by the BJCC's food and beverage department. Please consult with your Event Manager for equipment pricing.

3.3

CARPET/TAPE

The BJCC prohibits stick-on badges, labels, bumper stickers or any adhesive slogan materials. The use of double-faced tape on floors, walls or BJCC furniture is prohibited. No tape of any kind may be used on any painted surface.

Many events bring carpet and/or use marking tape as a part of the event. The Lessee is responsible for removing all tape from the floors during the final move-out of the event.

Should the BJCC be required to remove tape or other adhesives, a labor fee will be assessed. If adhesive removal causes damage that requires floor stripping and refinishing, the charges to return the floor to its original finish will also be charged to the Lessee.

3.4

ANIMALS & GARDEN DISPLAYS

To protect the venue floor, materials such as plastic sheeting or Visqueen must be used when an exhibit includes soil, humus, similar materials, or live animals. Curbing must be used to keep loose materials within gardens or pens, and watering must be controlled to prevent leakage or seepage. Animals must be properly contained to prevent injury to patrons or guests. With the exception of ADA service animals, animal acts or animals used in displays, no pets are allowed in the facility.

3.5

HANGING ITEMS

The BJCC doesn't allow decorative or structural items to be hung from overhead beams, columns, handrails, utility pipes, exterior walls or fences without prior approval of the Event Manager or authorized BJCC staff and must use labor coordinated with International Alliance of Theatrical Stage Employees by your Event Manager. Items hung without approval will be removed at expense of Lessee.

Drapes, decorations, buntings and other decorative materials must be made of fire-retardant materials and properly treated to meet all flame proofing requirements. Proof must be available upon request.

3.6

MOTOR VEHICLE DISPLAYS

- Gasoline permitted to remain in fuel tank is limited to one-fourth (1/4) tank.
- Gasoline tank caps must be locked, taped or sealed and approved by the Fire Marshal.
- All positive battery connections must be removed from the battery upon completion of the move-in and may not be reattached until commencement of the move-out. Positive cable ends must be taped to avoid the risk of sparks.
- Fueling and de-fueling of vehicles must occur outside of the BJCC. Appropriate safety equipment should be used to remove fuel. Fuel may never be dumped on BJCC property.
- All Liquid Propane (LP) gas tanks must be removed from trailers, mobile homes and any other vehicles using LP. No LP tanks, empty or full, are allowed in the building unless used in an event-specific capacity and approved by facility management and the Fire Marshal.
- Any display or exhibit involving movement of a vehicle using its fuel as a propellant, or any act involving use of the electrical system to demonstrate parts of the vehicle during a show is prohibited without prior written approval of the Fire Marshal.
- When vehicle is displayed on carpeted area, plastic sheeting must be used with prior approval from the BJCC.

3.7

CONFETTI/SPECIAL EFFECTS

No confetti is allowed in the venue; furthermore, if balloons or glitter are used for decorating, the BJCC may apply a service charge for cleaning. Sparklers are not permitted in the BJCC. Fog machines or other special effects are allowed, and may require permitting and associated fees. Please contact your Event Manager if these effects are planned to ensure all permits and precautions are handled.

Helium balloons are not allowed to be sold or distributed as a prize or a premium in our halls. Balloons are allowed in low-ceilinged meeting rooms or as a display within an exhibitor's booth, but only if properly secured. There is a \$50 charge per balloon for removal of any balloon that floats to the ceiling of any BJCC facility.

3.8

PAINTING

Spray painting is prohibited in any BJCC facility. Painting is allowed on the loading dock but requires a protective coating, such as Visqueen, to protect all BJCC property.

3.7

DISPLAYING/SELLING GUNS

The BJCC has a no-weapons policy. For policies regarding shows with guns on display:

- Every firearm (i.e., a gun brought into the facility for any reason - display, sale, or trade) entering the room via a vendor or patron must be physically and personally inspected by an off-duty police officer (approved by BJCC Management and paid by the promoter) or assisted by the promoter or his representative under the off duty officer's supervision to ensure every weapon is unloaded and disabled to discharge. Promoter must provide a discharge barrel.
- Every firearm entering the room, via a vendor or patron, must have either a locked trigger guard in place at all times or a cable strap or plastic tie that when attached properly will absolutely prevent the weapon from being loaded and discharged. Violation by any vendor or patron will result in immediate expulsion of that individual or company from the show. Upon a second violation occurring at a show or upon the first discharge of a weapon at a show, the show will immediately be terminated and the room vacated, with no refund to promoter, patrons or vendors by the BJCC.
- Limited sale of live ammunition is allowed inside the building. Only the sale of ammunition packaged in sealed containers will be allowed to be sold or displayed in the BJCC. The possession, sale or display of loose or unsealed ammunition is strictly prohibited. This does not apply to ammo components sold separately. Immediate expulsion will result for anyone discovered in possession of loose or unsealed ammunition. Violation by any vendor or patron will result in immediate expulsion of that individual or company from the BJCC.

SECURITY

BJCC Security Personnel monitor the area for the safety and security of the BJCC campus. At the expense of the Lessee, event security for individual events may be required to control move-in and move-out operations and vehicular traffic.

The BJCC provides 24-hour security at building access points. These security precautions do not constitute a guarantee to the Lessee's personal property or the personal property of exhibitors or other parties. If valuable items need to be secured, additional 24-hour security coverage should be requested, at the Lessee's expense, at prevailing rates. All arrangements for additional security must be requested a minimum of 14 days in advance.

Specialized security arrangements for conventions, exhibitions, equipment, registrations, traffic and parking control, V.I.P. protection and other special assignments can be arranged on behalf of the Lessee's group by the Event Manager. Additional security is highly recommended for any meeting rooms which house valuable equipment or merchandise overnight, as the BJCC is not liable for any loss or damage incurred.

4.8

SEVERE WEATHER

In the event the BJCC is subject to severe weather conditions, such as heavy thunderstorms, tornadoes and winter weather, the BJCC has a detailed response plan that is available upon request, which provides extensive planning information regarding facility preparations for such conditions. Please consult the Event Manager for additional information.

5.1

TICKETMASTER

Lessee acknowledges that Ticketmaster is the exclusive ticketing company for the BJCC. No other ticketing company or third party can be used to sell tickets on behalf of the Lessee through outlets, internet, phone or otherwise unless written permission is obtained from the BJCC Sales Office. All ticket sales shall be subject to service fees, convenience fees and/or facility fees. BJCC does not permit consignment tickets.

No money shall be advanced to the Lessee until completion of the scheduled event. At the completion of the event, BJCC management will make necessary payment to the Lessee from funds received from sales of tickets, less expenses incurred.

The BJCC has a knowledgeable and customer-friendly ticketing staff that operates the box office for all events in the facility.

5.2

PRIVATE & PUBLIC EVENTS

For private events and events that do not meet requirements to use Ticketmaster, a show may request to operate its own box office, and in that case, the BJCC may require full payment of rent and estimated expenses in advance.

For public events, Ticketmaster is used and tickets are sold in advance. The fee for this service is 3% of the gross income after fee in lieu of tax plus ticket printing costs, 3% of credit card charges at the BJCC Box Office and a one-time set-up fee. See your sales agreement for rates or charges. The expenses associated with normal box office staffing, both advance and day of show, are included in the box office fee.

5.3

TICKET FEES

There is a facility fee of \$4.00 on each ticket sold in the Arena, Concert Hall, Theatre and Forum Theater (in some cases this may apply also to Exhibit Hall events). This fee is charged to the ticket purchaser and retained in whole by the BJCC. All applicable fees in lieu of sales taxes (currently 10%) are included in the price of the ticket.
